2019 Senior and Disabled Mowing Program

MAY 1—SEPTEMBER 30, 2019

Spring will be here soon and so it is that time of the year that Seniors over 60 and the disabled need to apply for mowing assistance. The mowing program is for Lovejoy Residents only and the home must be their primary home. If more than one person lives in the home proof that ALL are unable to cut the grass is required. Someone will visit your home before approval to verify the information on your application. Yards will be cut bi-weekly weather permitting. The City will not weed flower beds, trim shrubs, repair fences or any other yard maintenance. If you have any questions please contact Cassandra @ 678-479-4525 or c_hettermann@cityoflovejoy.com Applications are available at the City Garden, City Hall, Community Center or online.
